

SUBJECT: OVERNIGHT CLOSURES OF I-5 AT GENESEE

Event Date: 8/6-12/2016

Motorists urged to steer clear of interchange

Interstate 5 will be closed at Genesee Avenue overnight August 6-12 while crews demolish and remove the old freeway overpass. Motorists should steer clear of the area or take alternative routes to avoid potential congestion.

Closures

From 9 p.m. on Saturday, August 6 to 9 a.m. on Sunday, August 7, I-5 northbound and southbound will be closed at Genesee Avenue.

During the week of August 8-12, each night between 9 p.m. and 5 a.m., there will be intermittent one direction freeway closures.

Additionally, there will be ramp closures and reduced eastbound and westbound lanes on Genesee Avenue during these times. Please view our [online closure list](#) for details.

Detours

During the full freeway closure of northbound and southbound I-5 lanes overnight on August 6, motorists will be detoured to the Interstate 805, State Route 163, State Route 52, and Interstate 8 freeways. During partial freeway closures on August 8-12, motorists will be detoured at the interchange to the Genesee Avenue off-ramp and re-enter using the on-ramp across the intersection. Please view the detour map for details. Signs will be placed to alert motorists in advance.

Delays are expected. Motorists and people on bikes are advised to plan their travel accordingly and avoid the area, if possible. Access for emergency vehicles will be

maintained. Pedestrian access on Genesee Avenue is closed during construction.

SUBJECT: #ILOVESHARKS AT BIRCH AQUARIUM

Event Date: Through August 19, 2016

Have you ever had a shark encounter? Here's your opportunity to meet and touch some of our local sharks. Shark-themed activities will reveal that sharks are vulnerable and critical members of ocean habitats.

See what it takes for a baby leopard shark to grow up, discover how sharks use their teeth the way we use utensils, and learn about the latest shark research from Scripps scientists.

Activities, presentations, and exhibits help reveal that sharks are vulnerable and critical members of ocean habitats. Learn the latest in shark research, discover the fascinating lives of our local sharks, and get hands-on with shark teeth, skin, and other artifacts.

Check out the [#ILoveSharks at Birch Aquarium](#) website. #ILoveSharks Activity Stations are open weekly on Mondays, Tuesdays, Thursdays, and Fridays, from 9:30 a.m. -- 4 p.m. through August 19th.

SUBJECT: AIDS Walk San Diego 2016 & UCSD MCAP

Event Date: 9/24/2016

Walk with our team or sponsor someone!

AIDS Walk San Diego is the largest HIV/AIDS fundraiser and the biggest non-governmental financial provider for HIV/AIDS in San Diego County. Dozens of organizations - serving thousands of clients - rely on funds raised at the annual 5K walk and 10K run to help provide essential prevention and care programs to thousands of men, women and children living with HIV/AIDS.

The UCSD Mother-Child-Adolescent HIV Program provides comprehensive, family centered HIV care to women, children and youth. A multidisciplinary team of HIV specialists provides medical care, clinical research trials, patient education, counseling, case management, peer advocacy, and community education.

We are very excited to raise money and awareness as a team for AIDS Walk San Diego. You can help us by walking with us, or by making a donation.
